Preface

We are pleased to invite you to our new one-stop Presbyterian Care Singapore Network (PCS-N) Directory. The Directory is designed for your convenience. It provides a comprehensive coverage of all our Presbyterian services. Included are a wide and diverse range, comprising social, health and education, among others as follows:

- Children Services
- Youth Services
- Elderly Services & Nursing Homes
- Family Services
- Educational Services
- Migrant Services
- Columbarium Services

PCS-N hopes to serve as a platform for the coming together of like-minded churches in reaching out to the community at large as one united body in Christ. This Directory is a first step in our local Christian circle to showcase our PCS-N members' scope of community engagements in impacting the community, reaching out to the needy and the vulnerable for the glory of our Lord.

The Directory is in line with the objectives of PCS-N to:

- Raise the profile of participating Presbyterian churches that are involved in providing services to the community under a unifying networking platform.

- Share the resources in terms of experiences and knowledge among concerned parties involved in community services/ministries.
- Establish a relational network with the purpose of promoting goodwill and possible collaboration for collective impact.

R	RAISING PROFILE
R	RESOURCE SHARING
R	RELATIONAL NETWORK

In view of the need to update from time to time to keep it relevant, this Directory is by no means exhaustive. The needs and demands for services are envisioned to evolve constantly.

My sincere gratitude and appreciation to fellow members of the Committee and all those who have helped, one way or another, to make this inaugural Directory possible.

REV ANG ENG HOE

Chairman

Presbyterian Care Singapore – Network (PCS-N)

Foreword

The Directory of the Presbyterian Care Singapore Network (PCS-N) sets out the purpose and scope of various services provided to the community by its members. Among other things, the Directory highlights not only the wide ranging target groups served, from children, youth, elderly to family, but it also help our various Presbyterian community outreach initiatives in impacting the community together - under one umbrella body.

As we come together in unity, to be the "salt and light" of the earth, we shall be mindful of Christ's prayer in John 17:11: *"Holy Father, keep them in Your name, which You have given me, that they may be one, even as we are one."*

"Once upon a time, there was a flock of doves that flew in search of food led by their king. One day, they had flown a long distance and were very tired. The dove king encouraged them to fly a little further. The smallest dove picked up speed and found some rice scattered beneath a banyan tree. So all the doves landed and began to eat. Suddenly a net fell over them and they were all trapped.

They saw a hunter approaching carrying a huge club. The doves desperately fluttered

their wings trying to get out, but to no avail. The king had an idea. He advised all the doves to fly up together carrying the net with them. He said that there was strength in unity. Each dove picked up a portion of the net and together they flew off carrying the net with them, fleeing from the hunter who looked up in astonishment. He tried to follow them, but they were flying high over hills and valleys."

The above metaphor paints a vivid and insightful illustration of the power in networking and combining our resources to help others. Let us all strengthen our Presbyterian initiatives, big and small, in meeting the challenges and needs of our community for significant impact - Together.

Finally, I am grateful to the PCS-N Committee and its members for their invaluable efforts in producing this timely Directory.

RT REV KEITH LAI

Synod Moderator

Presbyterian Church In Singapore

Prologue

It gives me great pleasure in commending the Presbyterian Care Singapore Network (PCS-N) Committee for the production of its timely directory. This directory serves as a useful guide to various services of our Presbyterian efforts in serving the community.

Across our communities we often face multi-facet needs with its complexities and demands. Nonetheless, I hope that through PCS-N there will be greater mobilisation of strength and resources to do more so as to impact the community.

The work and potentials of PCS-N and its members is certainly encouraging as it stands.

And the vision of greater collaboration, sharing of expertise and resources among service providers will have far reaching consequences in addressing societal needs in a rapid changing landscape of globalisation.

Thank you PCS-N Committee for all your dedication and commitment in caring for the community for many more years to come.

REV TEO YEW TIONG

General Secretary
Presbyterian Church In Singapore

Special Note

Beyond the “many helping hands” approach in reaching out to the needy in our community, there is a greater need to foster “a concerted many helping hands” movement.

With the establishment of the Presbyterian Care Singapore – Network, such a relational platform has the potential to bring about a collective impact in greater measures.

Testimonials

"I feel happy attending the Youth Group session in Filos. It has helped me to increase my self-esteem and I became more confident in my relationship with others. Through the lessons about life and positive values, I gained awareness and it makes me more positive in my life."
Rina, 13, Filos Community Services

"In the past 2 years that I have attended the Youth Café programme, I changed from a shy & timid boy to a more determined & focused person. Training in eSports also taught me not to give up easily."
Jun Bo, 15, Providence Care Centre

To look after an elderly with dementia requires a lot of patience and love. The staff in All Saints Home are exactly who we are looking for. They even take the initiative to update us on any changes in my granny's behaviour.
Mei Ling, Grand-daughter of Mdm Ong Han Tee from All Saints Home (Tampines)

As a child, Diane (not her real name) grew up feeling unsafe, unloved, and uncared for, laden with both physical and emotional wounds inflicted upon her. After being referred to stay at Gladiolus Place (GP), she now receives love, care, specialized therapeutic interventions and structured programmes targeting academia, socio-emotional life skills and character/holistic development. Today she is a confident young lady who channels her energy into meaningful pursuits. She represents her school for football and dreams of joining Singapore's National Football Team to score goals for our country.
Gladiolus Place

I see vast improvement in my wife's condition after joining LRC. She has become more open and happier. Life Recreation Centre (LRC) is indeed an excellent establishment and I am very happy to be there
Mr Yong Kan Suan, 89, Life Care Society

I came to know about Friends of the Third Age, a community service that provides senior care activities for Haig Road elderly folks, from my neighbour, who also brought her elderly mother to participate in the daily activities.
I want to thank the staff and volunteers for visiting my mother, Mdm Lee Yuke, during their home visits to reach out to her and to keep her company.
During the circuit breaker in Singapore, the staff and volunteers continue to take the initiative to reach out to her using virtual activities in order to stay connected with her and to engage her.
Angie Ng, Daughter of Mdm Lee Yuke, Friends of the third Age
