## PRESS RELEASE

21 March 2020

In line with the national effort to flatten the Covid-19 curve, The Presbyterian Church in Singapore, with a membership of more than 21,000 believers, wish to announce the following:

1. A vast majority of our 37 churches are suspending physical gatherings for worship services for at least two weeks beginning this Sunday. Alternative ways of worship, like live streaming, or recording, etc will be used instead.
2. A small number of churches will continue as they are able to adhere to the MOH and MCCY guidelines.
3. All our churches operating in our Presbyterian schools are suspending services.
4. We believe that the sabbath day of worship is also a call to trust the Creator and to do good to our neighbours.
5. We will continue to do our part to support the national effort in overcoming Covid19 and to pray for those in leadership, in the medical front lines, those infected by the virus, and those who are affected one way or another.
